

Texas Academic Performance Report for 2013-14

Arlington Classics Academy

in compliance with TEC Ch. 39

January 22, 2015

Texas Education Code Chapter 39 requires that Arlington Classics Academy's board of trustees publish an annual report that includes the Texas Academic Performance Report as prepared by the Texas Education Agency, campus performance objectives, a report of violent or criminal incidents, and information received under Texas Education Code §51.043(e) from the Texas Higher Education Coordinating Board.

Section 1 – Texas Academic Performance Report

Section 1 provides the Texas Academic Performance Report (TAPR) as prepared by the Texas Education Agency for our district and each campus. Due to the length of the reports, they are attached as addendum A. These reports provide information concerning student body performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school. State law requires that the TAPR display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

ACA is proud to continue a legacy of a superior instructional program, having received the highest available rating from the Texas Education Agency with distinction designations in:

Academic Achievement in Reading/English Language Arts

Academic Achievement in Mathematics

Academic Achievement in Science

Top 25 Percent: Student Progress

Top 25 Percent: Closing Performance Gaps

Postsecondary Readiness

Additional to the financial reporting available in the TAPR, the Division of School Finance provides a PEIMS Financial Standards Report of 2012-2013 Financial Actual Information. These reports are included as addendum B.

ACA is honored to have been recognized by Susan Combs and the Office of State Comptroller of Public Accounts. ACA has been named to the 2014 Texas Honors Circle for achieving significant student academic growth while keeping spending relatively low compared to peer districts. ACA is one of 46 districts and charter operators that have earned the highest rating in the Comptroller's 2014 Financial Allocation Study of Texas (FAST) rating by demonstrating both academic and financial effectiveness.

Section 2 – Campus Performance Objectives

Each Texas public school is compelled to design strategic goals for the coming year through a Campus Improvement Plan. These strategic goals are driven by campus performance data within the TAPR. ACA Middle School allocated local, state, and federal resources that would impact three state-level prioritized areas:

- Improve the percentage of students who score “advanced” on the Algebra I End of Course exam
- Improve the percentage of students who meet standard on the 8th grade social studies STAAR assessment as well as the percentage of students who score “advanced” on the same assessment.
- Improve the percentage of students who meet standard or score “advanced” on the 7th grade writing STAAR assessment.

Overall, ACA Middle School performance on the STAAR and EOC assessments earned the campus six (6) distinction designations along with the accountability rating of “met standard.”

Thanks to the dedicated educators at ACA and the hard work of our students and families, the percentage of students that scored “advanced” on the Algebra I EOC increased from 38% to 67%; a 29% increase from the 2013 to 2014.

Furthermore, the 2014 results for the 8th grade social studies STAAR assessment demonstrated a 13% increase in students who met standard and a 14% increase in students who scored “advanced.”

While the percentage of students that scored “advanced” on the 7th grade writing STAAR decreased by 9%, the percentage of students that met standard increased. However, ACA outperformed the state average for “met standard” by 18 percentage points.

ACA Intermediate allocated local, state, and federal resources to these state-level prioritized areas:

- improve the percentage of students who meet standard or score “advanced” on the 5th grade science STAAR assessment.
- improve the percentage of students who score “advanced” on the 3rd grade reading STAAR assessment
- improve the percentage of students who meet standard or score “advanced” on the 4th grade writing STAAR assessment.

Overall, ACA Intermediate performance on the STAAR assessments earned the campus two (2) distinction designations along with the accountability rating of “met standard.”

Through the efforts of ACA Intermediate stakeholders, the results of the 5th grade science STAAR assessment demonstrated a 5% gain in students who met standard as well as a 9% gain in students that performed at the “advanced” level.

3rd grade reading STAAR assessment results demonstrated a small gain (3%) in the percentage of students who scored “advanced.” 4th grade writing STAAR assessment results did not demonstrate a gain in the percentage of students who met standard or scored “advanced.” These data points were considered in instructional planning for 2014-2015.

ACA Primary does not represent a grade level that is included in the TAPR reports. However, the primary campus pours a strong foundation on which all grades will be assessed as the students progress through ACA. Evaluating 3rd grade assessment results as well as local 2nd and 1st grade assessment results, ACA Primary allocated resources that would strengthen and support students in math and reading. Strategic goals included implementing progress monitoring systems in math and reading, improving learning with intervention systems for all students, and strengthening efforts for early detection of struggling students.

Section 3 – Report on Violent or Criminal Incidents

Texas statute requires every district to publish a report on violent or criminal incidents at their schools. ACA is proud to be a safe place for students, families, and staff.

ACA reports zero (0) student violent or criminal incidents that occurred on any campus for the 2013-14 school year.

ACA has adopted and follows school violence prevention and intervention policies and procedures that ensure the safety of our students to the best of our ability. Campus efforts in drug awareness and violence/bullying prevention include inviting officers to discuss the power of good choices as well as the “Right to Your Light” project and assembly.

The Safe and Drug-Free Schools and Communities Act of 1994 requires school districts to evaluate high school students for safety and drug awareness and report the findings from those evaluations. ACA currently does not enroll high school students and; therefore, this requirement does not apply.

Section 4 – Reports of Student Enrollment and Academic Performance (Texas Education Code §51.043(e))

ACA is an open-enrollment charter school that served students in grades Kindergarten through 8th grade for the 2013-14 school year. Therefore, ACA is not included in this report.

Texas Academic Performance Report for 2013-14
Arlington Classics Academy
