

Covid Protocols and Attendance Expectations for Basketball

ACA worked diligently with TSCAAL in order to be able to welcome guests to our facilities for this year's basketball season. To provide a safe environment for all visitors and to comply with TSCAAL expectations for competition, the following measures must be followed by all guests.

Home games for Arlington Classics Academy

- ACA families must pre-purchase tickets prior to the game. ACA MS will announce when tickets are available prior to each game. Students/families may purchase tickets at the MS Office and will be limited to 4 tickets per player/family initially. If any seats remain available as of 2:00 p.m. on the day of the game, families may purchase additional tickets until all available tickets are sold.
- On-site tickets will be sold ONLY for the immediate family of the visiting team.
- The entry fee for all games is \$5.00 per person (5 yrs and up).
- The gym will be vacated between each game in order to properly clean and disinfect. All guests and players must vacate the space. ACA guests must pre-purchase tickets for each game. Tickets will be required to re-enter the gym for each game. Note: You must pay for each game you attend (girls and boys games)
- Due to the limited availability of seating and TSCAAL regulations, you can only watch your player during their game.
- Masks are highly encouraged. If you feel ill, please stay home.
- All fans will leave the gym after each game. You should coordinate to meet your player outside the facility.
- Coaches will be expected to show their badges to gain entry into the games.

NOTE: TSCAAL has determined that each school adopts protocols in conjunction with TSCAAL guidelines for regular season play. Each game location's COVID protocols may vary some and guests are expected to follow the host's guidelines.

We are excited to welcome guests back on campus and ask for all guests to continue to practice patience. We continue to face challenges with the availability of resources due to the pandemic response. These guidelines are subject to change as the circumstances change.

Sincerely,

Yolonda Dawson

Principal
ACA Middle School
